NEWS LETTER

VISION

To become a leading hub for technological innovation and entrepreneurship that contributes to regional development national and international progress.

MISSION

Support early-stage startups with mentoring, technical guidance, and funding. - Build industry-academia linkages and foster entrepreneurial thinking. - Enable inclusive development by supporting socially relevant innovations.

WHAT IS KSRCE NEO?

NEO (Nurturing Emerging Opportunities) We provide a launch pad for young entrepreneurs to ideate, prototype, and build viable business models across key domains including AI/ML, IoT, robotics, agri-tech, sustainability, and social impact.

FOCUS SECTORS:

Artificial Intelligence & Data Science - IoT & Embedded Systems - Green Energy & Sustainable Tech - Smart Agriculture & PoultryTech - HealthTech & Biomedical Devices - EdTech & Rural Innovation - Social Entrepreneurship - Smart Mobility & EVs

Board of Directors Message

Shri K.S. Sachin

KSRCE NEO is envisioned as a cornerstone of innovation-led academic transformation. The centre goes beyond conventional incubation by embedding entrepreneurship into the institutional culture. Through structured pre-incubation, incubation, and mentorship programs, KSRCE NEO ensures that student innovations mature into scalable, market-relevant, and socially impactful ventures. The Board remains committed to strengthening governance, partnerships, and sustainability to position KSRCE NEO as a leading campus-based incubation model in Tamil Nadu.

The strength of KSRCE NEO lies in its structured, outcome-driven incubation approach. By combining infrastructure, mentoring, ecosystem partnerships, and StartupTN linkages, the centre enables startups to progress from idea to market with confidence. The Board of Directors actively supports initiatives that ensure financial sustainability, scalable programs, and measurable impact—creating a resilient innovation ecosystem that benefits students, industry, and society.

Shri. T.S Nithin

Board Advisors Message

Dr. M. Venkatesan

KSRCE NEO demonstrates a well-designed incubation architecture that supports founders at every stage—from ideation and MVP development to market entry and scale. The emphasis on structured mentoring, regular reviews, and ecosystem connectivity ensures startups are not only innovative but execution-ready. As advisors, we see KSRCE NEO evolving into a robust regional innovation hub that consistently produces quality startups.

What sets KSRCE NEO apart is its strong alignment with government initiatives such as StartupTN, combined with academic rigor and industry relevance. The incubation centre is well-positioned to serve as a bridge between policy, academia, and entrepreneurship. This integrated approach enables startups to access funding, pilots, and market opportunities while contributing meaningfully to regional economic development.

Dr. P. Meenakshi Devi

Dr. K. Lakshmi

KSRCE NEO – Nurturing Emerging Opportunities – was established with a clear vision: to create a structured, inclusive, and impact-oriented incubation ecosystem within KSR College of Engineering. Our focus is on enabling students and early-stage founders to move confidently from ideas to viable ventures through systematic pre-incubation, incubation, and mentorship support.

KSRCE StartupTN Pre-Incubation Centre

K.S.R College of Engineering, Tiruchengode is thrilled to receive the sanction order for establishing Startup Pre- Incubation Centre from Honourable Deputy Chief Minister of TamilNadu Thiru.Udhayanidhi Stalin & Honarable MSME Minister Thiru.T.M. Anbarasaon on 12.11.2024 at IIT- Madras Research Park in the event Startup Chennai - Seiga Puthumai. The PIC is designed to assist early stage startups focused on scalable innovations.

Student Incubatees Onboarded under KSRCE NEO

We are delighted to announce the successful onboarding of student incubatees under the NEO – KSRCE Council for Innovation and Incubation. This initiative is designed to empower students in transforming innovative ideas into viable ventures.

The onboarding marks a significant step toward fostering student-led startups within the institution. Through this program, incubatees will gain access to mentorship, resources, and a supportive innovation ecosystem. KSRCE remains committed to building a vibrant culture of entrepreneurship and innovation on campus.

KSRCE Students Receive StartupTN Start-Step Smart Cards

K.S.R. College of Engineering, Tiruchengode through its Institution's Innovation Council and Centre for Innovation and Incubation is proud to share that 12 student teams have received the StartupTN Start-Step Smart Card during the StartupTN Bootcamp 2.0 held on 18.11.2024. The Start-Step Smart Card is a unique ID issued to eligible startup ideas, giving access to exclusive services and resources at subsidized rates through StartupTN's network of service providers. This initiative equips our student innovators with valuable tools to accelerate their entrepreneurial journey.

Dr. E. Balagurusamy Visits NEXGEN NEXTOPIA at KSRCE

We were honored to welcome Dr. E. Balagurusamy Academic Advisor to the Governor of Jharkhand, Chairman of EBG Foundation, and Former Vice Chancellor of Anna University to NEXGEN NEXTOPIA, a student-led startup at K.S.R. College of Engineering, Tiruchengode. Joined by our esteemed Chairman Mr. R. Srinivasan, Dr. Balagurusamy appreciated the vision and efforts of Mr. C. Monish, KSRCE alumnus and Founder of NEXGEN, along with his dedicated team. He praised their innovation, commitment, and contribution to the entrepreneurial ecosystem.

Tech Ignite Bootcamp – Building Digital Skills at KSRCE

On 27th March 2025, KSR College of Engineering, in collaboration with the Institution's Innovation Council and Praskla Technology, organized a dynamic Tech Ignite Bootcamp titled "Build Websites & Mobile Apps with Digital Impact".

The hands-on sessions provided students with practical exposure to real-world tools and development practices, enhancing their technical skills and entrepreneurial thinking. The event saw enthusiastic participation and proved to be a stepping stone for future tech innovators.

PRASKLA FUTURE X 2025 – Hackathon at KSRCE

KSRCE Centre for Innovation and Incubation, in association with Praskla Technology, is all set to host the high-energy PRASKLA FUTURE X 2025 Hackathon on April 4, 2025, at the CLOUD Lab, Abdul Kalam Block. Participants will tackle on-the-spot problem statements, develop web or mobile applications using any tech stack, and earn bonus points for mobile apps! Judging will be based on project completion, teamwork, problem-solving, and overall effort.

Grand Inauguration of KSRCE NEO – Incubation Centre

K.S.R. College of Engineering cordially hosted the Grand Inauguration of the Incubation Centre, StartupTN – "KSRCE NEO", under the KSRCE Council for Innovation and Incubation, on 16th April 2025 in A-Block, KSRCE Campus.
The event was graced by Mr. Sivakumar Palanisamy, Vice PresidentaStartupTN, Government of Tamil Nadu, who served as the resource person. This inauguration marks a significant step toward fostering innovation, entrepreneurship, and startup growth within the institution

HATCH & LAUNCH at KSRCE NEO – Featuring the Product Launch by AZHIZEN Solutions

The Hatch & Launch event, organized at the KSRCE NEO Incubation Centre, showcased startup energy through themes like Startup Spark, Hustle Hub, and Ignition. The event was graced by Mr. Sivakumar Palanisamy, Vice President, StartupTN, and Mr. Gurushankar Selvam, Project Lead, Salem & Erode Regional Hubs, StartupTN. A key highlight of the event was the product launch by AZHIZEN, a student-led startup from KSRCE, marking a proud moment for campus innovation.

From Vision to Venture: Azhizen's Launch at KSRCE NEO

Azhizen Solutions, a startup founded by Campus Founder Bharathkumar Ramachandiran (B.E. Biomedical), was officially launched at KSRCE NEO. The launch event was graced by Mr. Sivakumar Palanisamy, Vice President, StartupTN, Government of Tamil Nadu, who inaugurated the venture and encouraged student-led innovation on campus.
Incubated at KSRCE NEO, Azhizen represents the spirit of innovation and student entrepreneurship, marking the beginning of a bold and impactful journey.

Inspiring Young Minds: KSR Matric Students Visit NEO Incubation Centre

A group of 11th standard students from KSR Matric Higher Secondary School visited the newly established NEO Incubation Centre at KSR College of Engineering as part of an educational field visit. The initiative aimed to introduce students to the innovation ecosystem and provide early exposure to startup culture. During the visit, students explored real-world startup environments and gained valuable insights into entrepreneurial processes. The interactive experience sparked curiosity and encouraged innovative thinking among the young minds. This visit marked an important step in nurturing future innovators at the school level.

KSRCE NEO Collaborates with Zoho to Boost Startups

KSRCE NEO has partnered with Zoho to empower incubated startups with up to ₹1.86 Lakhs in Zoho Wallet Credits, valid for 360 days. Startups can access Zoho's full suite of business tools—CRM, finance, marketing, and more. This collaboration strengthens early-stage innovation and drives startup success within our campus.

Founder's Bench 1.0 – Real Stories from Real Founders!

KSRCE NEO proudly launched the first episode of Founder's Bench 1.0, a platform dedicated to sharing powerful entrepreneurial journeys. The session featured P. Velmurugan, Co-Founder of Taxina Mobility Pvt. Ltd., and Vayetheysvaran A.P, Founder of Startup Foundrei, who shared their real-world startup experiences and valuable insights. Held on 28th July, The session offered students and aspiring entrepreneurs a deep dive into the challenges and learnings from the startup ecosystem, igniting inspiration and sparking innovation on campus.

First Technical Advisory Committee Meeting at KSRCE NEO to Strengthen the Innovation Ecosystem

KSRCE NEO successfully conducted its first Technical Advisory Committee (TAC) Meeting on 28th July 2025, marking a major milestone in boosting our innovation and startup ecosystem. The meeting brought together experts from industry, academia, and the startup community who shared key insights to guide our incubation center's growth. We were honored by the presence of Dr. Venkatesan Muthusamy, Gurushankar Selvam, Dr. A. Athif Shah, Kannan P.S., Ms. R. Radhamani, P. Velmurugan, and Vayetheysvaran A.P. Their inputs will help strengthen mentoring, outreach, and early-stage support.

We sincerely thank all TAC members for their valuable contributions. Together, we aim to build a thriving entrepreneurial ecosystem at KSRCE.

Neo Spark Team Innovation Club Launched at KSRCE NEO!

It was a proud moment at KSRCE NEO as we officially launched the Neo Spark Team Innovation Club — a dynamic, student-led initiative designed to ignite creativity and inspire action. The inauguration was graced by Mr. Karthi Easwaramoorthy, Founder & CEO of Kanavu Startup Village, Erode, who motivated students to think big and start small. The Neo Spark Team will drive innovation on campus by encouraging collaboration, solving real-world problems, and supporting fellow students on their entrepreneurial journeys. This marks a new chapter in cultivating a strong student-driven innovation culture at KSRCE.

From Concept to Validation – Highlights of IDEA CLINIC 2025

The KSRCE NEO hosted the IDEA CLINIC on August 08, 2025, at the NEO Meeting Hall as part of its Q2 activities for 2025–26. A total of 25 teams comprising 30+ students participated in this 6-hour offline idea validation program, each allotted 5–7 minutes to present their innovative concepts in front of industry experts Mr. R. Bharathkumar, Ms. V. Jeevitha, and Mr. A. S. Bose from Azhizen.

The panel evaluated the ideas based on feasibility, creativity, and market potential, offering constructive suggestions for improvement. The program fostered innovation, enhanced pitching skills, and guided students in refining their ideas for real-world applications

MSME 5.0 IDEA VALIDATION

The MSME Idea Hackathon 5.0 (Smart and Sustainable MSMEs) was organized by KSRCE NEO – Centre for Innovation and Incubation from August 12 to 14, 2025 at the NEO Meeting Hall.

The objective of the program was to select the best innovative ideas, validate their feasibility, and provide expert suggestions for improvement.

On August 12, 45 new ideas were validated by Mr. Gurushankar Selvam and Mr. Aruneswar MGB; on August 13, 56 ideas were reviewed by Mr. Gobinath Thangamuthu and Mr. Karikolraj K; and on August 14, 85 ideas were evaluated by Mr. G. Vasudevan and Mr. Vijayakumar Palanimuthu. The event concluded with the identification of promising ideas and valuable expert feedback, encouraging participants to refine their concepts and build feasible, scalable solutions for the MSME sector.

Dream 2 Startup: Igniting Entrepreneurial Spirit at KSRCE NEO

KSRCE NEO hosted Dream 2 Startup on 19 August 2025 with Ms. Ponni Velmurugan, Associate Vice President of StartupTN, inspiring over 45 students with insights on StartupTN initiatives, opportunities, and pathways to transform ideas into impactful startups.

As part of her visit, she also explored the ventures Nexgen Nextopia, Praskla Technology, and Azhizen's, successfully established under KSRCE NEO.

The event created a vibrant entrepreneurial spirit and showcased the thriving startup ecosystem within the campus.

Renault Nissan Tech HR Leader Engages with Startups

We were delighted to welcome Mr. Phalgun Nagendran, HR Leader at Renault Nissan Tech, to the KSRCE NEO Innovation & Incubation Center. During his visit, he explored the vibrant entrepreneurial ecosystem within the campus and engaged with the emerging startups nurtured under NEO. His keen interest in the student-led innovations reflected his appreciation for the institution's efforts in fostering creativity and enterprise among young minds.

Mr. Phalgun shared valuable industry perspectives, offering practical guidance and motivation to the budding entrepreneurs on building sustainable and impactful ventures. His interaction encouraged the student innovators to approach their entrepreneurial journey with greater confidence, clarity, and purpose, reinforcing NEO's mission to bridge the gap between industry and innovation.

Idea Clinic Series #2 @ KSRCE NEO

The Idea Clinic Series #2 was held on 23rd August 2025 at the KSRCE NEO Meeting Hall with the active participation of 19 student teams. Students presented diverse ideas such as AI-powered services, smart devices, biomedical solutions, lifestyle startups, and food-tech platforms. The session was led by the Nexgen Nextopia team Mr. Monish (Founder & CEO), Mr. Gopinath (CFO), and Ms. Rubasree (IoT ACH) who guided participants with real-time validation, case discussions, and feedback

The clinic enabled students to refine their business models, improve technical feasibility, and strengthen their pitching skills. Promising ideas were also identified for further mentoring and incubation under KSRCE NEO, encouraging students to pursue their entrepreneurial journey with greater confidence.

Inzovate Technologies Joins the KSRCE NEO Startup Ecosystem

KSRCE NEO proudly welcomed Inzovate Technologies into its Incubation Program, marking a significant milestone in advancing entrepreneurial initiatives within the campus. This achievement reflects NEO's ongoing commitment to nurturing innovative ideas and empowering student entrepreneurs to transform their visions into viable ventures.

The onboarding ceremony was graced by Dr. Venkatesan Muthusamy (Dean), Dr. P. Meenakshi Devi (Principal), Dr. Nandakumar R (Vice Principal), and Dr. K. Lakshmi (Director – Innovation & Incubation). The dignitaries inaugurated Inzovate Technologies' dedicated in-house office space and presented the official incubation certificate. They also interacted with the founders, appreciating their innovative approach and encouraging them to scale their venture with strategic vision and determination. The occasion reaffirmed KSRCE NEO's mission to foster innovation, entrepreneurship, and impactful student–startup collaborations.

NeoOnam 2K25: A Fusion of Culture, Creativity & Startups

KSRCE NEO celebrated NeoOnam 2K25 with a blend of festivity and innovation, featuring events like Visual Riddle, Design Dynasty, and NeoNam Pitch. Students enthusiastically participated and gained valuable insights into idea pitching, entrepreneurship, and creative problem-solving.

The vibrant platform encouraged teamwork, design thinking, and innovation-driven learning. Azhizen partnered in the event to mentor and evaluate the student ideas. The top three teams were selected for exclusive internship opportunities at Azhizen, marking a successful outcome of the celebration.

KSRCE NEO Hosts Smart India Hackathon Pre-Screening 2025

The Smart India Hackathon (SIH) Pre-Screening 2025 was held from 17 to 19 September 2025 at KSRCE NEO, featuring over 85 student teams presenting innovative ideas in HealthTech, Disaster Management, Transportation, Smart Automation, Agriculture, and Renewable Technology.

Guided by expert jury panels, the sessions showcased impactful solutions addressing real-world challenges with creativity and practical insight. The evaluators emphasized technical feasibility, innovation, and problem alignment, offering valuable feedback to help teams refine their ideas.

The event fostered a strong spirit of innovation and collaboration, concluding on an inspiring note that boosted students' confidence and readiness for the SIH journey ahead.

Exposure Visit: Government School Students Explore KSRCE NEO's Innovation Ecosystem

On October 13, 2025, around 150 students from various Government Schools visited the KSRCE NEO – Incubation Centre as part of their campus exposure program. The visit offered them a glimpse into the innovation and startup ecosystem nurtured at KSRCE.

Students explored prototype demonstrations, interacted with young innovators, and learned about the process of transforming ideas into impactful solutions. The session ignited their curiosity and inspired them to think creatively about technology and entrepreneurship.

New Venture Takes Flight at KSRCE NEO!

On November 3, 2025, Praskla Technology officially inaugurated its presence at the KSRCE NEO Incubation Centre, marking a significant milestone in the journey of innovation and entrepreneurship. The startup, founded by Mr. Pranesh Kumar Baskaran (Founder & CEO) and led by Mr. Jaillesh Karthirvel (Director – Planning & Operations), aims to develop smart technology solutions that bridge the gap between creative ideas and industry needs.

The inauguration reflected KSRCE NEO's mission to nurture young innovators, empower student-led ventures, and build a vibrant startup ecosystem within the campus. The addition of Praskla Technology to the incubation network reinforces NEO's commitment to fostering impactful collaborations that drive technological advancement and entrepreneurial growth.

Beyond the Code: Turning Ideas into Impact!

On November 8, 2025, KSRCE NEO hosted an engaging technical session titled "Beyond the Code: Packaging and Deploying Innovative Applications." The session was led by Mr. Vinothkumar Raja, Applied AI/ML Architect from Bangalore, who shared valuable insights on transforming innovative ideas into real-world products through effective design and deployment strategies.

The interactive session saw enthusiastic participation from over 50 students, who gained hands-on knowledge of modern application deployment and industry-relevant innovation practices. The program not only enhanced students' technical understanding but also encouraged them to think beyond coding — focusing on scalability, usability, and impact in real-world applications.

A Visionary Visit to KSRCE NEO!

On November 8, 2025, Mr. K. S. Sachin, Vice Chairman of K.S.R. Educational Institutions, visited the KSRCE NEO – Centre for Innovation and Incubation. During his visit, he interacted with student innovators, explored ongoing startup projects, and appreciated the entrepreneurial ecosystem thriving at KSRCE NEO.

His encouragement and insights inspired the young innovators to think big and pursue impactful ventures. The visit reinforced KSRCE NEO's mission to cultivate a vibrant culture of creativity, innovation, and entrepreneurship on campus.

Showcase of Brilliance – Demo Day 2025

The Institution's Innovation Council, in association with KSRCE NEO, conducted Demo Day 2025 on 22.11.2025, where 15 teams showcased their innovative prototypes and solutions. The event served as a platform for idea validation, technical refinement, and real-time feedback.

A distinguished multidisciplinary jury Dr. R. Prabu, Dr. Ganesamoorthy, Dr. S. Premalatha, Dr. S. Vadivel, Dr. T. Sureshkumar, and Dr. P. Vignesh evaluated the prototypes and shared valuable insights to help students strengthen their innovations. The Demo Day concluded with enthusiasm and renewed motivation, further boosting the institution's growing innovation and entrepreneurial ecosystem.

MoU Signing with CUMMA

On 23rd December 2025, a strategic MoU was signed with CUMMA, marking a significant milestone in advancing the KSRCE innovation ecosystem. This collaboration provides startups and student innovators with access to shared infrastructure, innovation facilities, and collaborative workspaces, creating an environment that nurtures experimentation and growth.

By strengthening industry–academia–startup collaboration, the partnership encourages knowledge exchange, mentorship, and real-world exposure. The MoU also aims to support early-stage ideas through structured guidance and resources. Together, this initiative accelerates the transformation of innovative ideas into scalable, sustainable, and industry-ready solutions.

Strengthening Startup Momentum through StartupTN Engagement

As part of its continued efforts to nurture and strengthen the startup ecosystem, StartupTN visited the startups incubated under KSRCE NEO on 23rd December 2025. The visit was led by Mr. Sivakumar Palanisamy, Vice President – StartupTN, accompanied by Mr. GuruShankar Selvam (Project Lead), Mr. Sathya Murthy V (Head – SONA Incubation), and Mr. Gobinath Thangamuthu (Project Associate).

The delegation engaged in meaningful interactions with startup founders and teams, reviewed ongoing innovations and product developments, and shared valuable insights and guidance to support startup growth and foster stronger ecosystem collaboration.

Academic Insights Powering Startup Growth

Enriching the startup ecosystem through expert knowledge exchange, Dr. S. Kumaravel (NIT Calicut) and Dr. C. Govindaraju (GCE Salem) visited and interacted with the incubated startups on 23rd December 2025. The session enabled meaningful discussions, where founders gained valuable insights drawn from the academicians' rich experience and research exposure.

Their inputs encouraged startups to think critically, refine their strategies, and approach challenges with greater clarity and confidence. Such knowledge-sharing engagements play a vital role in strengthening the startup journey and fostering a resilient, innovation-driven ecosystem.

SIH 2025 Grand Finale Qualifiers

Students of KSR College of Engineering have proudly qualified for the Smart India Hackathon 2025 – Grand Finale, showcasing exceptional innovation, teamwork, and problem-solving excellence on a national platform.

With two teams, one shared vision, Once Again India and Sky Cleaners will represent KSRCE at prestigious national venues, addressing impactful real-world challenges through technology-driven solutions.

Their journey reflects months of rigorous ideation, prototyping, perseverance, and hands-on learning, involving design thinking, user-centric problem analysis, and iterative development. Supported by a strong mentorship ecosystem, dedicated faculty mentors, and the continuous guidance of KSRCE NEO, the teams have transformed ideas into viable solutions with strong social and technological relevance.

This achievement stands as a testament to KSRCE's vibrant innovation culture, interdisciplinary collaboration, and commitment to empowering students as future-ready innovators, entrepreneurs, and problem solvers who drive meaningful change.

"Voices of NEO"

Every edition of our journey at KSRCE NEO is a reminder that innovation begins with curiosity and grows with collaboration.
Each student, mentor, and startup contributes to the vibrant ecosystem that makes NEO more than a space — it's a movement for creators and changemakers.
Let's continue to innovate, inspire, and impact — because the future is being built right here.
– Team KSRCE NEO

"Innovation is seeing what everybody has seen and thinking what nobody has thought."
